

# THE QUEEN'S DIAMOND JUBILEE 2012

## CREATE AND COMMEMORATE WITH THIS RANGE OF MUGS

### IT'S ALL ABOUT CHOICE AND DESIGNING A MUG TO FIT YOUR BUDGET

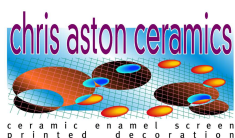

We produce a range of porcelain and bone china mugs, perfect for Diamond Jubilee gifts and presentations for schools, organisations and groups, Town and Parish Councils, and all special Jubilee events.

We offer a range of budget priced stock designs and reverse texts and logos, as well as the flexibility to make the mug your own, with dedicated text combinations and a choice of five print designs. We can also print your own created Diamond Jubilee artwork in incorporating your individual badge or logo, a service that is particularly useful for schools.

Just email or post your artwork and we will quote. With the price and quantity calculator on the order form you can build your own combination of mug shape and design, plus additional options such as 22ct top rim banding, to work out the final cost of each mug.

Send your quote or order by email or post, attaching any alternative options, such as your own design, and we will quote to include carriage and vat. Order early as June will soon be upon us!

We look forward to working with you soon.
